TITLE: D Division - Freedom Convoy - Support Rally/Demonstration - Manitoba

PURPOSE:

-To provide the Commissioner with information regarding concurrent Support Freedom Convoy events in Manitoba

ISSUE:

-Freedom Convoy Support demonstrations are continuing in Manitoba.

Update for February 19th, 2022

BACKGROUND:

-The Support Freedom Convoy was created as a means for truckers and others to demonstrate against cross-border Covid vaccine mandates and in support of the Freedom Convoy in Ottawa.

CURRENT STATUS:

-As of February 19th there are no known plans to further protest/blockade the Emerson POE. The POE has resumed normal operations. All other POEs within Manitoba remain open and have no protest activity. (No Change)

-"D" Division RCMP will continue to monitor for any future protest activity/liase with CBSA on POE operations.

-To date "D" Division has not employed authorities under the Emergencies Act for any enforcement.

OTHER KNOWN/PLANNED EVENTS:

-As of 2022-02-19 the demonstration/occupation at the Manitoba Legislature remains in place. The protesters have moved vehicles and equipment from the front of the Legislature and Broadway Avenue onto Memorial Boulevard. It should be noted that under the Manitoba PSA, should the Winnipeg Police Service request support for potential enforcement action, as the Provincial Police force, "D" Division would be required to deploy resources per their request. (No Change)

-The planned convoy on the perimeter highway around Winnipeg saw a total of 24 vehicles. It was peaceful and no issues arose. Current winter weather conditions in southern Manitoba may have impacted the number of participants. Headingly Detachment, D Division Traffic Services and Winnipeg Police Service are aware. This small convoy group had planned to attend the MB Legislature.

-The planned convoy today for western Manitoba has been cancelled by prganizers due to poor winter weather conditions.

STRATEGIC CONSIDERATIONS:

-Situations are on-going and will be continuously monitored. At present D Division has sufficient resources available to manage these events.

-D Division Communication is engaged with prepared messaging for the public and responses to media inquiries.
